

# Farmers Trust & Savings Bank

## Features

### Brella

#### Debit card protection

- Enroll in **Brella** within our app for FREE
- Log into your mobile app
- Click on your sidebar hamburger/menu – top left
- Card Management
- Shazam Brella
- Enroll your card by entering your Debit card number and submit
- When your card has been accepted you can click on the three dots next to your card number and take control of your debit card.
- Things you can do: add/remove card block, travel notices, set fraud alerts, threshold alerts, international alerts and internet alerts.
- You can set these alerts to email you and/or text you to the number/email associated with your card for when your card is being used.

Brella is an excellent and FREE feature that is fast to set-up and will help detect FRAUD charges and reduce loss.
